

FABRIC GUIDE

PRODUCT TECHNOLOGY

DRY
WICKING

Fabric pulls moisture from the body to the exterior of the fabric where it can evaporate more easily.

ANTI
MICROBIAL

Prevents bacteria from forming, so you (and your gear) can stay stink-free

4-WAY
STRETCH

Maximizes flexibility for a moves-with-you feel while keeping opacity intact

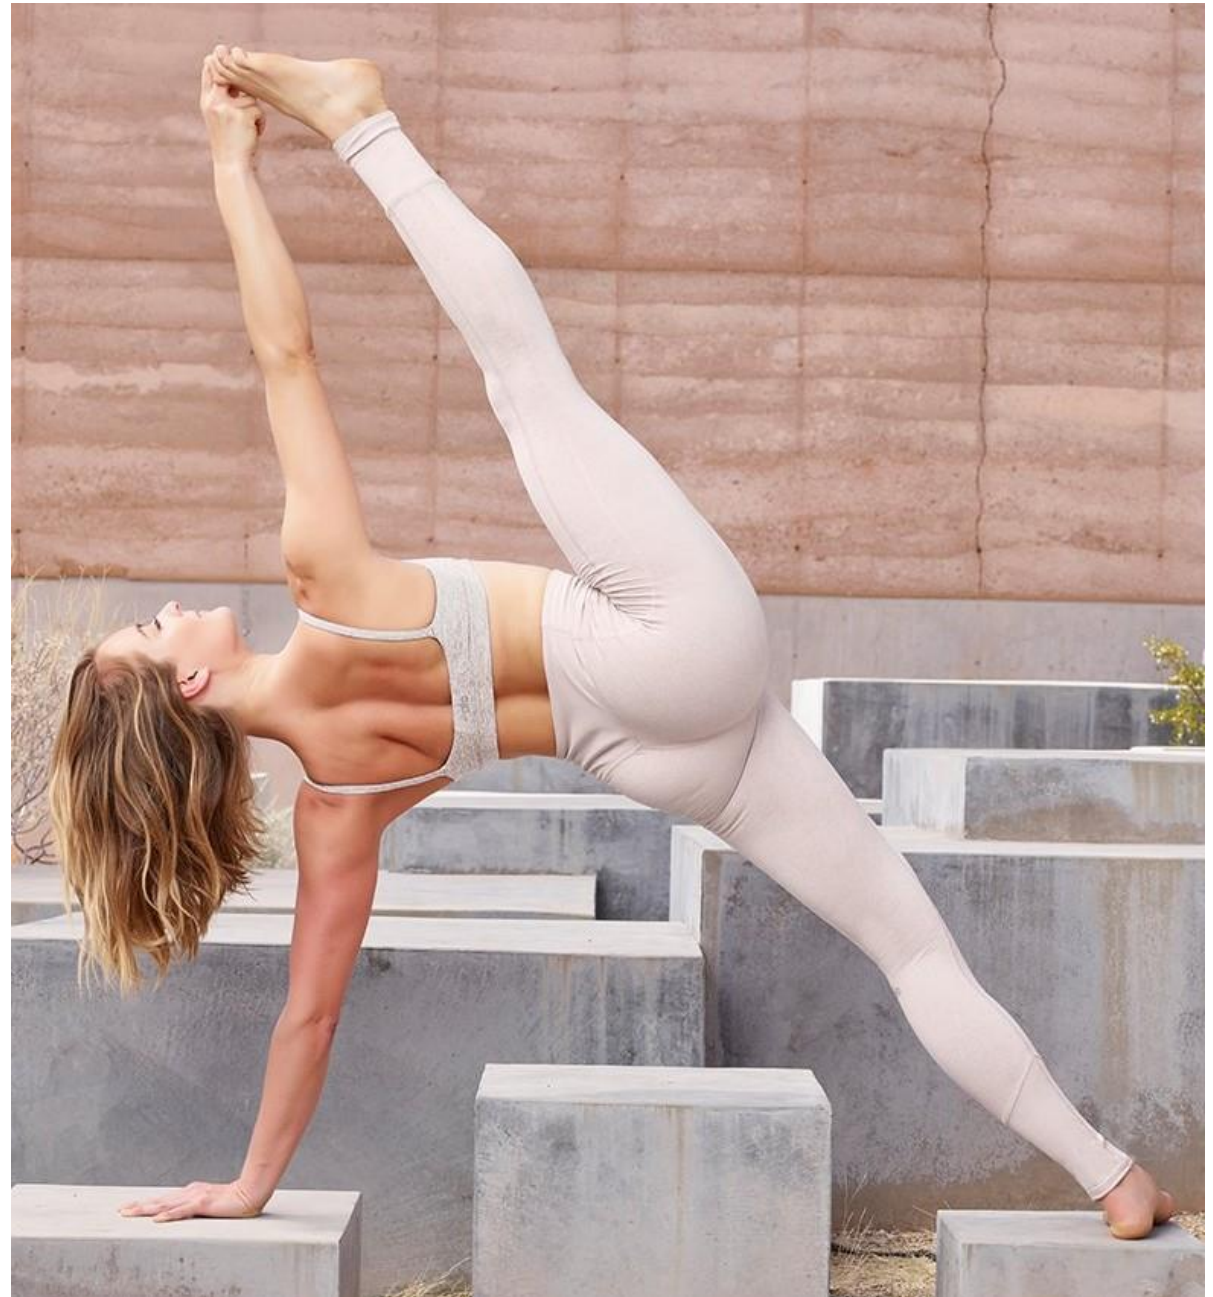

HIGH
COMPRESSION

Sculpts, smooths & supports for a holds-you-in feel

BODY
MAPPING

Engineered fabric or pattern for features like breathability and a contouring fit

FIT COMPARISON

BUST

Measure under your arms.
Around the fullest part of your chest

HIP

Measure around the fullest part
of your body at the top of your leg

WAIST

Measure around your natural
waistline at belly button level.

INSEAM

Wearing pants that fit well,
remove your shoes and measure
from the crotch seam to the
floor.

AIRBRUSH

alo

WHY WE MADE IT

We wanted a multifunctional fabric that would perform great in yoga, hug and compress for a perfect fit and feel, and sculpt and contour for a lifted look. Airbrush is our ultimate leggings performance knit and the foundation for all our core leggings.

HOW TO WEAR IT

Available year-round in high-waist and regular-waist leggings in staple colors and regular, 7/8, capri, and short lengths. Updated in new colors and designs each season. Pair with our bras, tops and coverups, with an alo it slide or sneakers.

WHAT IT DOES

Lifts, sculpts, contours, smooths. 4-way stretch for a moves-with-you feel. Flat-locked seaming for comfort. Lined panel between legs for a smooth fit. Moisture-wicking. Antimicrobial.

AIRLIFT

alo

WHY WE MADE IT

We wanted an ultralightweight performance fabric for hot yoga and sweaty practices.

HOW TO WEAR IT

Available year-round in high-waist and regular-waist leggings in staple colors, regular and capri lengths, and the Incline Bra. Updated in new colors and designs each season. Pair with breathable bras, like Incline and Goddess.

WHAT IT DOES

Double-knit performance fabric with 4-way stretch and second-skin fit and feel. Lifts, sculpts, contours, smooths. Moisture-wicking. Antimicrobial.

- Moisture-wicking antimicrobial technology
- Updated extreme high waist silhouette
- Style with crop top or bra of choice

The background of the entire image is a dark gray, textured surface with a repeating, wavy, scale-like pattern. This pattern is contained within a thin white rectangular border. The word "SEAMLESS" is centered horizontally within this border.

SEAMLESS

alo

WHY WE MADE IT

We loved the idea of a circular knit fabric that would ensure a great fit and optimal ventilation and comfort.

HOW TO WEAR IT

Available year-round in high-waist leggings in staple colors, regular, capri, and Goddess lengths, and tops. New colors and designs to come. Pair Seamless leggings with Seamless tops to create matching breathable sets or mix and match with other Alo.

WHAT IT DOES

Smooths. Body-mapped for comfort and breathability. No-seam construction (we add a flat-locked inner seam after the fact to perfect the fit). 4-way stretch. Moisture-wicking. Antimicrobial.

ALOSOFT

alo

WHY WE MADE IT

We wanted a comfortable performance fabric that you could practice, lounge, and live in.

HOW TO WEAR IT

Available year-round in the High-Waist Lounge Legging and Bra in staple colors. New colors, designs, and lengths to come. Pair the Bra and Legging together to make a set or mix and match with other Alo, like the Extreme Crop Crew Neck or High-Waist Airbrush Legging.

WHAT IT DOES

Our softest performance jersey with a velvety feel, 4-way stretch, booty-sculpting design and comfy ribbed waistband and hems. Moisture-wicking.
